PANTRY**

161 High Street
Elmira, NY 14901

Our pantry can always use donations of food, personal care items and household items.

Our greatest needs are listed below.

- Food donations of any kind as long as they are not expired. However we can't take home canned items.
- Fresh produce
- Monetary donations
- Personal Care items (soap, shampoo, deodorant and toilet paper are our most requested items).
- Gently used, clean household items (towels, sheets, blankets, pots and pans, small appliances etc.)

Our Regular hours are Tuesday from 11am to 2pm.

Clients are able to come to the pantry once per month. Please provide ID for all those in your household whom you will be receiving food for.

Thursday evening Pantry which we hope those who are working and finding it hard to make ends meet. Our Thursday evening Pantry will be the 4th Thursday of each month from 5pm until 7pm. Please watch for changes. Thanksgiving and Christmas hours will change.

Normally when I need to fill up my vehicle with gas I go to a self-serve gas station. For some reason very cold winter day I decided to have my gas pumped for me.

The young man who was working that night was pumping gas with no gloves on. I told him it is so cold, you should have gloves on. He responded by saying he had no gloves. I felt so bad. Luck would have it I had stretchable gloves on. I took mine off and gave them to him. He was so very grateful he had tears in his eyes.

Please remember that things we take for granted, are not always within reach for others. Please share your blessings with those in need.

The last two winters have been very cold winters. Please keep us in mind when you get a new blanket and do not need your old one.

Please help to keep those in need warm this coming winter.

Needed:

Blankets

Winter coats

Gloves, mittens, scarfs and hats

*Winter sweaters

- Winter sweater made of 100 percent wool we will take even if they have holes in them. These will be used to make mittens.
